In para 2 of the G.O. cited the Government have stated that the expenditure for electrification of quarters of the District Prohibition Officer, Mangalore is debitable to "50.a.Civil Works - Original works - Buildings - B. Excise - Minor Works". In this connection, the Board submits that the quarters referred to were one of the buildings transferred to the Police Department following the transfer of enforcement of Prohibition to Police Department - vide. G.O. Ms. No. 3848 Home dated 28-12-54. The Government had also negatived the proposal of the Board to reallot the above quarters to the Inspector of Excise, Mangalore - vide. Memo. No. 24404-Pro/55-1 Home dated 16-4-55. The Inspector, Mangalore has vacated the quarters on 1-6-55 Forenoon and handed it over to the Personal Assistant to the District Superintendent of Police, South Kanara. The building is now under the ~~control and~~ occupation of the Police Department. The Board therefore considers that the expenditure relating to the electrificatia of that building is to be debited to the head of account "29 Police" instead of B."Excise". The Board requests that the Government may be pleased to issue necessary revised orders in this regard.

due to the prevailing financial stringency and the high costing factors and material the present policy of Govt is to consider only such electrification schemes as are immediately and imperatively essential for carrying on the administration, the rest being deferred to better times. Besides there are standing instructions in respect of proposals for electrifying residential and non-residential buildings. In their U.O note No 5-2 & 40 A. Expe/53-1 dt 27.6.1953 Finance have laid down that "until further orders proposals for electrification of Govt. Perd. note at A above

The proposal in this file relates to electrification of the quarters of the District Prohibition Officer, South Kanara district, at Mangalore, at a cost of about Rs 5757- The D.P.O. has stated that necessity for the work is felt due to want of light in rainy season The Board of Rev (Exc) has recommended that administrative approval may be accorded for the estimates It is noted that in G.O(Ms) No 3524 Home dated 1-12-54, the Govt have ordered the transfer of enforcement work to the Police department with effect from 3-1-55 In that connection a special officer has been appointed to work out details, among other things, in respect of the redisposition of the staff concerned. It may be likely that the headquarters of the D.P.O. may change after the actual merger with reference to the dispositions of the officers of the Police Department If there is any change in the headquarters, then there is no necessity for the proposal referred to at A above In the circumstances it seems better to await the actual merger of the staff before sanctioning the proposal.
